What is
Summative
Assessment?

Which type of assessment is best?

What strategies do you use to gauge if students are learning the content?

- Write down the strategies you utilize (2 minutes)
- Turn to your neighbor and share what each of you wrote (5 minutes)
 - What did you have in common?
 - What did you learn from one another?
- Share with the entire class

What was the muddiest point from today's gathering?
