Award Nomination

Please select the award for which the individual, program, or unit is being nominated. Only one award may be selected per form. If you wish to nominate for multiple awards, please complete a separate form for each nomination.

Describe how the individual used student course feedback to make meaningful improvements to teaching, learning experiences, or course design. (For example, consider changes to assignments, syllabi, instructional methods, or engagement strategies.)

Describe how the individual promoted a culture of feedback by encouraging student participation, discussing results with peers or students, or modeling responsiveness to feedback over time. (You may include examples of how their approach strengthened communication or collaboration around course feedback.)

Optional: Up to three supporting documents or letters showing how the nominee used or promoted course feedback to enhance learning can be sent to assessment@syr.edu with the form.
